Ordinance No. 24-3

Subject: Ordinance Creating the East Palm Drive Community Development District

Executive Summary

The purpose of this item is to gain authorization from the Board of County Commissioners (Board) to create a Community Development District (CDD) in the City of Homestead (City) in Miami-Dade County (County), Florida. CDDs are a local unit of special-purpose government created according to Chapter 190 of the Florida Statutes.

Recommendation

It is recommended that the Board adopt the attached Ordinance creating the East Palm Drive Community Development District (District) in the City, pursuant to the authority granted by the Miami-Dade County Home Rule Charter for the purposes set forth in Chapter 190 of the Florida Statutes, subject to the acceptance of the Declaration of Restrictive Covenants running with the lands within the jurisdiction of the CDD.

Scope

This District is located within Commission District 9, which is represented by County Commissioner Kionne L. McGhee, and will provide funding for capital improvements, as well as multipurpose maintenance functions, within the CDD.

Fiscal Impact/Funding Source

The creation of the District will have no fiscal impact to the County. CDD funding is derived from assessments levied against the properties within the CDD, which are secured by a lien against the properties and collected directly by the CDD or through the annual Combined Real Property tax bill pursuant to an interlocal agreement with the County.

Social Equity Statement

The proposed Ordinance grants a petition for the creation of the District, pursuant to the procedures and factors set forth in section 190.005, Florida Statutes.

If approved, pursuant to Chapter 190, Florida Statutes, the District will have the power to levy taxes and special assessments and charge, collect, and enforce fees and other user charges affecting property owners within the proposed District, regardless of their demographics. The CDD is a timely, efficient, effective, responsive, and economic way to deliver and finance basic community development services.

Track Record/Monitor

This development has private roads that are to be maintained by a Homeowners' Association (HOA) or the District. A Special Taxing District will be created to maintain the development's infrastructure, such as private roadways, private area storm drainage, and landscaping, should the District be dissolved or fail

to fulfill its maintenance obligations. This Special Taxing District will remain dormant until such time as the County determines to implement the Special Taxing District.

Delegation of Authority

This Ordinance does not delegate any authority to the County Mayor or designee.

Background

Lennar Homes, LLC (“Petitioner”), on behalf of the owners of the East Palm Drive Development, has filed an application to create the District in connection with said development. The East Palm Drive Development is a proposed 325.60-acre residential development lying wholly within the municipal limits of the City of Homestead, in an area bounded by Theoretical SW 152 Avenue (theo. SE 28 Avenue) on the east, SW 352 Street on the south, Theoretical SW 162 Avenue (theo. SE 17 Avenue) on the west, and SW 344 Street (East Palm Drive/SE 24 Street) on the north. The District is designed to provide a financing mechanism for community infrastructure, facilities, and services along with certain ongoing operations and maintenance for the development. The development plan for the lands within the proposed District includes construction of 1287 residential units (387 single-family units, 419 villa units, and 481 townhome units) with associated roadway improvements, stormwater management system, wastewater collection system, and water distribution system, which are estimated to cost approximately \$58.215 million. This development has private roads that are to be maintained by an HOA or the District. A detailed summary of District elements, as well as the cost and anticipated lack of fiscal impacts to government agencies, are presented in the attached application submitted by the Petitioner. In accordance with Chapter 190, Florida Statutes, the Petitioner has paid a filing fee of \$15,000.00 and an additional \$15,000.00 for advertising costs to the County.

A Declaration of Restrictive Covenants has been submitted consistent with the requirements of Resolution R-413-05 adopted by the Board on April 5, 2005, and as amended by Resolution No. R-883-06, which was adopted on July 18, 2006, to add language regarding the option to pay capital assessments in full at the time of closing. The Declaration of Restrictive Covenants provides for: (1) notice in the public records of the projected taxes and assessments to be levied by the District; (2) individual prior notice to the initial purchaser of a residential lot or unit within the development; and (3) provisions for remedial options to initial purchasers whose contract for sale did not include timely notice of the existence and extent of CDD liens and special assessments.

This Board is authorized by the Florida Constitution and the County Home Rule Charter to establish governmental units, such as this CDD, within the County and to prescribe such government’s jurisdiction and powers.
